1. The ZYBEK SCORE is a calculated value that represents overall athletic performance

Test setup and data collection provided by Zybek Sports (@ZybekSports) - Mike Weinstein (mike@zybeksports.com)

Weight was self-reported by athlete and not measured at event

40 yard dash used Zybek Sports fully-automated timing with 3 point start

Maximal jump was recorded using mechanical flag system. The vertical jump subtracts the reach height from the maximal jump

Where the athlete is now.

This portion of our report offers a clear comparison for the athlete, placing their current performance alongside peers in the same position and grade level. It shines a light on specific areas needing improvement, serving as a practical guide for goal-setting. By focusing on these identified areas, the athlete can work towards enhancing their combine scores. This tailored approach not only sharpens their skills but also expands their opportunities for college recruitment in the upcoming year. It's a strategic roadmap for personal development and athletic advancement.
